

AMENDED IN ASSEMBLY MARCH 8, 2016

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1706

Introduced by Assembly Member Chávez

January 25, 2016

An act to amend Section 3003 of the Government Code, and to amend Section 532b of the Penal Code, relating to military fraud.

LEGISLATIVE COUNSEL'S DIGEST

AB 1706, as amended, Chávez. Military fraud.

Existing law requires certain elected officers to forfeit their office upon the conviction of a crime pursuant to the federal Stolen Valor Act of 2005 that involves a false claim of receipt of any military decoration or medal, as specified, or the California Stolen Valor Act that involves a false claim, made with the intent to defraud, that the person is a veteran or a member of the Armed Forces of the United States. Existing law, the federal Stolen Valor Act of 2013, prohibits a person, with the intent to obtain money, property, or other tangible property, from fraudulently holding oneself out to be a recipient of a military decoration or medal, as specified.

This bill would instead require these elected officers to forfeit their office upon the conviction of a crime pursuant to the federal Stolen Valor Act of 2013 or the California Stolen Valor Act that involves a fraudulent claim, made with the intent to obtain money, property, or other tangible benefit, as defined, that the person is a veteran or a member of the Armed Forces of the United States, as prescribed in those acts.

Existing law makes it a misdemeanor for a person to falsely represent himself or herself as a veteran or member of the Armed Forces of the

United States in connection with specified acts. Existing law provides that any person who, orally, in writing, or by wearing any military decoration, falsely represents himself or herself to have been awarded any military decoration, with the intent to defraud, is guilty of a misdemeanor.

This bill would conform those provisions to the federal Stolen Valor Act of 2013, and impose a misdemeanor only if the prescribed actions described above are made with the intent to obtain money, property, or other tangible benefit, as defined. The bill would expand the above-described crime related to misrepresentation to *include* a person who falsely represents himself or herself as a veteran or member of other specified armed forces with the intent to obtain money, property, or other tangible ~~benefits~~ *benefit*. The bill would additionally make it a misdemeanor for a person to misrepresent himself or herself as a member or veteran of specified armed forces in connection with certain acts, such as, among other things, the forgery or use of falsified military documentation, or for purposes of employment or promoting a business, charity, or other endeavor, as prescribed.

By creating new crimes, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
